# HIGH SCHOOL ART MATERIALS LIST

The art classroom offers high school students a safe space to express their feelings. They can strengthen their awareness of emotions and challenges. Find an outlet to address them. Participate in a social environment, form positive relationships, and work together toward a common goal. Our lesson plans and supporting products can help. Explore this sheet for a sampling. Discover even more at [Select.SchoolSpecialty.com](http://Select.SchoolSpecialty.com) and by talking with your School Specialty representative.
